

Palazzoli Explosion Proof Lighting

ATEX / IECEx Certified Lighting Solutions

Reliable Illumination for Hazardous Areas

Product Overview

Palazzoli explosion proof LED lighting is designed for hazardous environments such as oil & gas, petrochemical, and industrial zones. Built with durable materials and certified for ATEX & IECEx standards.

Applications

- Oil & Gas - Petrochemical - Refineries - Offshore - Hazardous Zones

Technical Specifications

Parameter	Details
Certification	ATEX / IECEx
Protection	IP66 / IP67
Material	Die-Cast Aluminium / Stainless Steel
Mounting	Wall / Ceiling / Pendant

Models & Performance

Model	Watt	Lumens
PX-EX-20	20W	2400 lm
PX-EX-40	40W	4800 lm
PX-EX-60	60W	7200 lm
PX-EX-100	100W	12000 lm

Key Features

- Explosion proof & flameproof - High efficiency LED - Long life 50,000+ hours - Corrosion resistant
- Low maintenance
